Important Information & Obligations for Riders

- Riders must be current financial members of Equestrian NSW and Eventing NSW.
- Horses must be registered with Equestrian NSW.
- Squad Schools will be free of charge for selected riders. If spots become available, other riders who are near selection may be invited to attend at \$100/lesson.
- NSW riders selected on any Equestrian Australia High Performance squad, who are not on the NSW squad, will be invited to squad schools, depending on funding availability.
- Squad riders are role models for the sport and must comply with their obligations under FEI and Equestrian Australia Codes of Conduct, Policies and Regulations, with particular emphasis on Horse Welfare and Social Media.
- The combinations (horse and rider) must remain the same throughout the year to retain their position on the squad.
- Combinations nominated on squads are expected to attend six one-day squad clinics conducted by Equestrian NSW. Exceptions will be made for National Squad riders who find clinics conflicting with National arrangements.
- Where a selected horse is unavailable due to injury, riders may make a request to substitute another horse for that clinic – each application will be considered on its merits.
- Combinations are expected to make every effort to attend each clinic. Failure to attend a minimum of four squad clinics in a calendar year will result in exclusion from the squad. Extenuating circumstances will be taken into consideration.
