Frequently Asked Questions (FAQs)

Are EA affiliated club members covered for Personal Accident?

No, club members receive Public Liability cover only whilst engaged in activities organised and/or run by an affiliated association or club. Should participants wish to obtain cover under the Personal Accident policy, they are encouraged to become EA members.

Is Day Membership still available for Non-EA members?

Day Membership is no longer offered by EA, however clubs are required to ensure that all participants are either direct EA members or members of the club. EA understand that a full EA or club membership may not suite all participants therefore clubs/associations are able to offer membership on a short term basis (i.e. Event Membership). Should clubs be offering short term affiliation, member numbers must be declared and any changes advised to EA throughout the year, which may incur an additional premium.

How can I provide evidence of my Liability Insurance?

Certificates of Currency are often requested by third parties such as a council or other property owner.

Is there cover for Club buildings, contents, and courses?

Whilst there is no protection for club property under the EA National Programme, Marsh is able to assist with arranging additional insurance to cover an EA Club's assets and property. Please contact the Equestrian Team; sport@marsh.com
