

FINANCIAL ADVISOR TO THE ENSW BOARD

Equestrian NSW is pleased to announce that Katie Robertson has been appointed as Advisor to the Equestrian NSW Board Finance and Risk Committee, to help oversee preparation of the annual accounts and independent audit.

Katie is a Chartered Accountant, has over 13 years as a finance professional and is currently the Chief Financial Officer and Head of Business Performance and Reporting with the Financial Services Group under the Macquarie Group.

President of the Equestrian NSW Board, Peter Dingwall, said “Chair of the Finance and Risk Committee, Suzanne Doyle and the Board decided that it would be prudent to engage a finance specialist to oversee the end-of-year process and we’re delighted to welcome Katie on board”.

Katie began riding horses in Scotland as a three year old and has ridden ever since. She said “I’m hugely passionate about all equestrian sports and am looking forward to using my financial skills and experience to give back to the community which has given me so much over the years”.
