

## **Expression of Interest for Interschool Riders Representative**

The Jenquine State Interschool Championships will be held at SIEC from Monday 28<sup>th</sup> June to Friday 2<sup>nd</sup> July 2021.

So that everybody has the very best experience possible, Equestrian NSW is going to appoint a Riders Representative, across all disciplines, especially to help younger and/or less experienced riders and their parents/helpers. They will be on site for the duration of the event.

It is important to note that the role of the Riders Representative does not prevent any competitor from approaching officials or the Organising Committee directly with a concern. The appointed Rider Representative contact details will be posted with the draw and on the noticeboard at the event.

### **Key Responsibilities:**

- To act as a focal point for riders to ask about any aspect of the competition and to communicate those concerns in a timely manner to officials and the Organising Committee.
- To make sure that any changes to the competition are advised to riders in a timely manner.
- To be a sounding board for officials and participate in decision making where required.
- To be available from 7am to 6pm each day of competition.

### **Selection Criteria for Organising Committees**

Discipline knowledge, approachability, empathy for riders and experience in junior competitions are the key criteria.

### **To Apply:**

Please complete application and return your expression of Interest to: [tina@ensw.org.au](mailto:tina@ensw.org.au) by COB Monday 3<sup>rd</sup> May 2021
