

Interschool NSW Eventing - 2021

Interschool NSW are introducing a new Eventing format for the 2021 year.

This year Eventing will not be held at the NSW State Interschool Championships at SIEC. The NSW Interschool Eventing champions and the NSW team will be decided from results of all Eventing NSW events in the qualifying period.

The 2021 format will involve:

- Overall championship for each level of competition from 45cm to 3* - 1st to 6th place
- Overall Off the Track Thoroughbred award for Eventing
- Selection process for the NSW team to attend the 2021 Australian Interschool Equestrian Championships in Werribee, Victoria. The date of this event is 20th to 24th September, 2021. National Interschool eventing classes are EvA80 to 2* - the team consists of 4 combinations at each level.

Interschool NSW Championship and Off the Track Thoroughbred

The top 6 placed (lowest cumulative scores from best 3 events) combinations in each level over the qualifying period will be awarded with rosettes for 1st to 6th place.

Minimum of 3 EA results are required at the level wishing to enter, results will be checked against the EA database and Eventing NSW results.

A combination may have qualifying results at more than one level however must select the level at which they wish to be considered for the State Championship.

Awards for the highest placed Off the Track Thoroughbred are also on offer thanks to our wonderful sponsors.

Team Selection

NSW Team will be the top 4 placed (lowest cumulative scores from best 3 events) combinations at each level from EvA80, EvA95, 1* and 2* who have indicated on the entry form that they would like to be considered for selection.

Only the level at which the combination has 3 qualifying results will be considered (with the exception of 2*) and results must be gained as a combination. To be fair to the riders in the 2* and 3* for selection on the 2* team to represent NSW at the 2021 Interschool National Championships, a selection committee has been appointed. Niki Rose and Vicki Burgess will select the 2* team.

A combination that qualifies for more than one level must select their preferred level to compete at Nationals.

Team selection will be overseen by an independent selection committee.
