

2015 Pryde's EasiFeed®

NSW Interschool Championships

Dear School Coordinator,

I am writing to advise you of changes to the programme the year that you will need to communicate to your school team.

Arrivals

Arrivals to SIEC will commence from 10am on Wednesday. No early arrival possible. If competitors are going to arrive after 6pm the stable manager MUST be informed so they can unlock the stables. Please contact the Stable Manager – Sandy O'Callaghan on 0404 045691 to pre arrange this. Note stabling allocations will be provided.

Camping and Stabling

Whilst every endeavour has been made to accommodate all requests for stabling and camping there may be the occasion where this is not possible. With all stabling and camping areas full, we ask that your competitors understand that coordinating this task is a huge effort.

School Coordinators

Each school must have a school coordinator. If only one student is representing a school it is fine for that student to have the parent as the School Coordinator.

The coordinator is responsible for:

- The children competing for a school and providing a mobile contact number to the office
- Picking up all riders packs on arrival and distributing to the competitors from the school – not available until after 2pm on Wednesday
- Ensuring that a person turns up to the schools rostered volunteer times. (The competition can't go ahead with assistance so parents can bring a friend to help with the volunteering times)
- Representing the school competitors in queries
- If the coordinator won't be attending all days they MUST advise the office and provide the name and mobile number for the person taking over the coordinators duties while there are any participants from the school competing

Presentations

It is important to note the following regarding presentations as this year they have changed.

- Prize giving Award ceremonies will be run for each discipline at the end of each days competition and are **compulsory** for riders who have competed in that discipline on that day.
- Presentations are unmounted.
- Each Discipline Prize Giving will be on the day of that disciplines final competition.

Eventing and Combined Training – Thursday

Show Horse – Friday

Vaulting – Saturday

Dressage and Show Jumping – Sunday

- Prize Giving Ceremonies will take place in the Indoor every evening. Times will be advised in the final scheduling
- Full School Equestrian uniform is required if receiving an award
- We welcome the addition of a school flag and mascot at presentations
- All other riders (in casual clothes), supporters and their families will watch the presentation from the upper gallery
