MEDIA RELEASE

## Clubbies nominations closing soon!

Haven't entered the 2020 Sportscover Clubbies Awards yet? Then better get cracking!

You have less than two weeks to nominate your grassroots sporting heroes for *Inside Sport's* community-based awards. Simply answer a few quick questions to get the ball rolling. We're not looking for the club with the biggest trophy cabinet or the coach with the most wins. We want to hear about the volunteers who put in 110%, coaches who inspire others, competitors who defy age and clubs that make a big impact in their own small neck of the woods.

### \$10,000-PLUS Prize Pool includes:

CASH PRIZES, top of the range COMPRESSION GEAR, multiple platinum tickets to a MAJOR NRL EVENT of your choosing, tickets to the NATIONAL SPORTS CONVENTION and MORE...

Clubbies honours the weekend warriors and year-round stalwarts who pour their passion into local sport to keep it humming. There are eight 'Best Of' categories covering Club, Coach, Administrator, Stalwart, Association, Masters Performance, Facility and Use of Media.

### Category winners featured in the pages of *Inside Sport*

*Inside Sport's* celebration of grassroots heroes is co-presented by the Confederation of Australian Sport (CAS) – dedicated to supporting Australia's 90-plus national sporting organisations – and partnered by Sportscover.

**Sportscover Australia CEO, Simon Allatson said:** "At Sportscover we don't follow the path of sponsors seeking high visibility brand placements - we support the industry where it will have meaningful impact. This might be in the form of athlete scholarships, a women in sport initiative, an Indigenous marathon project or, in this case, a national club awards program. The Clubbies Awards were conceptualised with the intent of becoming the preeminent vehicle to recognise, acknowledge and celebrate the tremendous contribution to sport by thousands of sports clubs and their supporters across the country. It's clearly on strategy for us as a world leading insurance underwriting agency that specialises in sport, fitness and leisure and we are delighted to be able to make a contribution to its continued success."

**Nominations close February 14, 2020**

**Go to [www.clubbies.com.au](http://www.clubbies.com.au)**

Voting opens February 26. An expert panel and online votes from the public will determine the winners from a shortlist of nominees. Our 2020 heroes will then be notified in March before being honoured at a glittering presentation luncheon where they will rub shoulders with sports industry leaders.
